Tint the Gray Hairs Away

Give the Natural Beauty of Your Face a Chance. Don't Spoil It by Permitting Unbecoming Gray or Strayed Hair to Show.

Gray hairs are never welcomed by a woman. Many women are so employed that gray hairs would lose them if they were to be seen again. And to practically all women gray hair means the loss of attractiveness.

One simple application of "Brownstone" will instantly tint the hair and surely bring back a youthful appearance.

You need not hesitate to use "Brownstone" for any previous experience is necessary and no harmful results can possibly follow from its use.

"Brownstone" is the one preparation of its kind and is guaranteed to be entirely free from sulphur, lead, silver, mercury, zinc, antimony, coal-tar, and other of their derivatives.

"Brownstone" will give a color from light golden brown to the deepest brown—or black. It is sold by the ounce, half-ounce, and in quart containers—everywhere. Two sizes \$5 cents and \$1.15.

A sample and a booklet will be sent you (from manufacturer) on request. Price of \$1.15 per ounce. Mention shade desired when writing or pur-

chasing. Prepared by The Kehan Pharmaceutical Co., Suite 406 Cappin Building, Washington, D. C.

For sale in Washington by People's Drug Stores, O'Donnell's Drug Stores, and other leading dealers.

District No. 2.
